TAKING AUDIENCES ON JOURNEYS WITH THE MESSIAH

“I traded my glamorous globe-trotting lifestyle of success as an award-winning fashion photographer for a ‘mission of significance.’”

“I cannot recall the last time I was **so absolutely inspired** by a presentation as I was by Michael Belk’s. **His images are astounding**—capturing the stories of Jesus in wonderfully creative and imaginative ways. He challenges how people think about Him. **What a powerful way to communicate the gospel** and glorify our Savior.”

—DR. CHARLES F. STANLEY - In Touch Ministries

Once an image is seen, it cannot be un-seen.

This one-of-a-kind **photographic, multimedia presentation** creates a **depth of feeling and emotion** with images, biblical messages, and behind-the-scenes film footage from the creation of Journeys with the Messiah in the ancient city of Matera, Italy.

Your audience will find the images and messages comforting, enlightening, full of hope and challenging. As one viewer noted, *“They slip into the back door of your heart.”*

IF YOU ARE LOOKING TO IGNITE A PASSION IN PEOPLE to enter into a deeper relationship with Jesus...or perhaps, to meet Him for the very first time... I would be honored to bring Journeys with the Messiah to your church. I assure you, it will facilitate a connection with the person of Jesus unlike any other.

MICHAEL BELK

Photographer, Master Storyteller, and Creator of Journeys with the Messiah

FROM GQ TO JESUS

JESUS MET ME IN A PIT OF DESPAIR... despite my worldly success and acclaim...and forever changed my life. At age 60, with the blessing of my wife, I followed God’s call to forfeit my glamorous and lucrative career as an international fashion photographer to create Journeys with the Messiah, one of the boldest ministries in modern times.

NO EXPENSE WAS SPARED. It had to be done with excellence to be worthy of the King. When my wife and I agreed to triple the production budget, we had no idea the stock and housing markets were about to collapse, eventually taking our life savings with them. Suddenly we had to fully trust in God’s provision since we could no longer trust in our own.

While this journey has been the most difficult challenge I’ve faced, it is by far the most rewarding. I discovered that GOD DID NOT NEED MY PHOTOGRAPHS. HE WANTED MY HEART and for me to know His. Now I want to help others know Him and the truths He has shared with me through this photographic collection known as Journeys with the Messiah.

WHAT PEOPLE ARE SAYING...

“Your Journeys presentation SO captures the Spirit of Jesus the Messiah. I just sit in awe: ‘I know that Man, it’s Him, it’s the Messiah!’ Amazing. Completely inspiring. All very anointed!”

TALIA ADAR - From Jerusalem

“Never has an artist been so compelling in their presentation of the truth. Michael Belk takes people through the valleys and mountaintops of emotion, through the depths of the gracious love and care of the Messiah, and through the anguish and cost of His sacrifice. I am forever challenged and inspired!”

DR. STEVEN DAVIES, Senior Pastor, Village Baptist Church

“Your book and films are so healing for people who are struggling in any area of their life, especially death. The fruit of gentleness is so evident in your demeanor when you talk about the Lord. I loved everything about it...your delivery, the content and your disarming charm. You are using all God gave you to glorify him and that is beautiful. I’m reaching out to others through your books.”
